**Important Notes:** The schools represented here are only a small sample of transfer options. Information is subject to change, and this suggested pathway is a guide, not a contract. Students should use this in consultation with an FCC advisor, the FCC catalog, [ARTSYS](#) (the state-wide online transfer system), and an advisor at the transfer institution. See the “Pathway Notes” section for more detailed information.

**Full-time student:** Follow the green semester blocks in order. **Part-time student:** Follow the blue course sequence at your own pace.

### Pathway Notes

Students must earn an overall GPA of 2.75 and a “C” or better in all courses.

### Advising

Students should meet with an advisor each semester to carefully select and sequence courses based on their specific academic goals and interests.

The Education Program Advisor is Heather Hinkle • 301-824-2461 • [hhinkle@frederick.edu](mailto:hhinkle@frederick.edu)

The Counseling & Advising Office offers general advice: [emailadvising@frederick.edu](mailto:emailadvising@frederick.edu) • 301.846.2471 • [frederick.edu/advising](https://frederick.edu/advising)

### Completing the Pathway

Students who take fewer than 15 credits each semester or who require developmental English or math coursework will need additional semesters to complete their degrees. Summer and January term classes may help students to make faster progress.

General Education CORE courses can often be taken in any semester. One course must be designated as a Cultural Competence course. A minimum of nine credits must be taken at the 200 level. Refer to the college catalog ([frederick.edu/class-schedules](https://frederick.edu/class-schedules)) for course details and the list of General Education and Cultural Competence classes.

### Reverse Transfer

FCC students who transfer to another school may transfer credits *back to FCC* from that school to fulfill FCC associate degree requirements. Visit [frederick.edu/credit-admissions/reverse-transfer](https://frederick.edu/credit-admissions/reverse-transfer) or contact an advisor for more information.
