

L-137 is equipped with a computer, projector, document camera and an A/V control system with sound. The projection screen is manually operated and may need to be pulled down.

- The **computer** is located behind the monitor on the instructor console.
- If the computer screen is blank, move the mouse to wake it up. If it does not respond, press the power button located on the front of the computer.
- Log in by typing your network name and password.
- **REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.**

The controls for the **projector power, volume** and **input source** are located in the equipment rack just below the top surface of the console.

If you wish to connect other devices to the projector, use the **HDMI** cable on the console and press the **laptop** button on the controller.

Adapters for most model laptops are attached to the HDMI cable.

Additional **USB ports** can be located on the left side of the computer screen.

Additional **120v** receptacles can be found above the system controller in the equipment rack below the below the work surface.

The **Blu-Ray** player is located below the surface on a shelf inside the equipment rack.

If you require any software or hardware that is not installed in this classroom, please contact your office manager.

For immediate technical assistance, please call the **I.T. Service desk at X3333** from the classroom phone, any campus phone or **red help phones in the hallways** or by calling **301.846.2509** from your cell phone.

For any non-urgent issues, please submit a ticket using the desktop icon or (<https://servicedesk.frederick.edu>) using your FCC username and password.
