## I. Philosophy and Scope

Frederick Community College (“FCC” or the “College”) is committed to an alcohol, tobacco, and drug-free learning and working environment. Frederick Community College adheres to the responsibilities set forth in applicable local, state, and federal laws. All members of the College community, visitors, guests, and volunteers are required to comply with this Policy and Procedures.

The College provides education and prevention resources related to the use of alcohol, tobacco, opioids, and other drugs. The College utilizes educational strategies to increase awareness of drug, alcohol, or tobacco use. In response to the nationwide heroin and opioid epidemic, incoming full-time students are required to participate in prevention awareness training, and incoming part-time students are provided with resources that alert and educate them regarding heroin and opioid addiction and prevention.

Any student or employee who uses illegal drugs or alcohol, or abuses any drug on College premises or during a College-sponsored activity may be subject to prosecution and punishment by the civil authorities and to disciplinary proceedings by the College.

Information provided by those who voluntarily avail themselves to tobacco, drug, or alcohol counseling or rehabilitation services will be kept confidential.

The College reserves the right to refuse any advertising or promotional activities which focus on the consumption of alcoholic beverages, tobacco, or drugs that might encourage use or abuse.

## II. Definitions for the Purpose of this Policy and Procedures

- A. **“ATODA”** means alcohol, tobacco, opioids, and other drug awareness.
- B. **“Tobacco”** is defined as any tobacco-derived or tobacco-simulating products, including, but not limited to: cigarettes (clove, bidis, kreteks), electronic cigarettes and vaporizers, cigars and cigarillos, hookah smoked products, and oral tobacco (spit and spitless, smokeless, chew, snuff).
- C. A **“drug”** is any chemical, whether synthetic or natural, that affects the human body or mind when it is swallowed, breathed in, or consumed in another way.
- D. **“Illegal drugs”** are drugs which have government limitations on their ownership or use, and are illegal in certain situations (meaning a person is not authorized to have them).
- E. **“Controlled substances”** are drugs that have some potential for abuse or dependence. These drugs are regulated by local, state, and federal laws.
- F. **“Opioids”** are synthetic substances that act on opioid receptors to produce morphine-like effects. Prescription opioids include, but are not limited to, OxyContin, Oxycodone, Hydrocodone, Hydromorphone, Fentanyl, Buprenorphine, Levorphanol, Codeine, Lorcet, Lortab, Norco, Oncet, Procet, Vicodin, Xodol, and Zydone. - Tar, Poison, Home Bake, Thunder, (China) White, Chinese, Train, White Dynamite, Dragon.
- G. **“Naloxone”** refers to a prescription medicine (Narcan, Evzio, or its equivalent generic) that reverses opioid overdose by restoring breathing with no potential for abuse or getting high. There is no effect on someone who hasn’t taken opioids and it wears off in 30-90 minutes. Potential side effects are minimal and rare. It is safe for children and pregnant women. Naloxone is only effective in reversing opioid overdoses.
  - H. **“Student”** means an individual who is registered at the College, either full or part-time, in a credit or continuing education class or classes, who has either paid or made arrangement for payment of tuition and/or fees.
  - I. **“College”** means Frederick Community College and, collectively, those responsible for its control and operation and applies to all sites at which the College conducts classes and/or activities.
  - J. **“College community”** includes trustees, students, and all employees of the College as well as any independent contractors or other third parties to the extent articulated under contractual agreements.
  - K. **“College premises”** means buildings or grounds owned, leased, operated, controlled, supervised, or temporarily used by the College.
  - L. **“College-sponsored activity”** means any activity that is initiated, authorized, or supervised by the College, or that involves representation of the College.
  - M. **“Visitor”** and **“guest”** mean any person who is not a member of the College community who is on College premises.
  - N. **“Volunteers”** refers to individuals who are not members of the College community, but have had background checks and have been officially approved to serve as volunteers at the College.
  - O. **“Calendar days”** means Sunday through Saturday of each week excluding days on which the College is officially closed.
  - P. **“Senior Leadership Team” (SLT)** refers to the President’s Senior Leadership Team, comprised of the Provost/Vice President for Academic Affairs, the Vice President for Learning Support, the Vice President for Continuing Education and Workforce Development, the Vice President for Finance and Human Resources, the Chief Information Officer, the Special Assistant to the President for Institutional Effectiveness, and the Chief of Operations.

### **III. Education, Prevention, and Responsibility**

- A. The College provides resources to educate, prevent, and address alcohol, tobacco, opioids, and other drug use and abuse. Resources, including awareness information, counseling services, and referral services are available to faculty, staff, and students. A list of community resources is available to students and all employees through the following offices: Adult Services, Center for Student Engagement, Counseling and

Advising, Human Resources, and the Vice President for Learning Support. For regular employees and their families, the College provides an Employee Assistance Program (EAP) that offers a comprehensive set of support services and resources paid for by the College. The services are confidential and available 24 hours a day, 7 days a week, 365 days per year. Contact the Human Resources office located in Suite G223 of Gambrill Hall for details.

- B. Students are required to acknowledge and agree to comply with ATODA Policy and Procedures through their signature on their admissions application or their acknowledgement on their student profile.
- C. The College issues an annual written notice to students and employees of the College Alcohol, Tobacco, Opioids, and Other Drug Use and Awareness Policy and Procedures. The Associate Vice President/Dean of Students (AVP/DOS) is responsible for the oversight of ATODA programs and the tracking of incidents, reporting, and sanctions for students. The Associate Vice President for Human Resources is responsible for the oversight of ATODA programs and the tracking of incidents, reporting, and sanctions for employees.
- D. The College complies with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act of 1986, as Amended in 1989, and the Heroin and Opioid Education and Community Action Act (Start Talking Maryland Act). The College conducts a biennial review of its ATODA programs and policies to determine program effectiveness, consistency of sanctions, enforcement, and the need to implement changes. The Associate Vice President/Dean of Students and the Associate Vice President for Human Resources collaborate to review all ATODA programs, co-author and submit the Biennial Review Report by December 31 of each even-numbered year to the Senior Leadership Team, and are responsible for the oversight and implementation of recommended changes.

### **IV. Prohibited Conduct**

- A. The manufacture, sale, distribution, dispensation, possession, or use of illegal drugs or controlled substances, and the abuse or unauthorized use of alcohol by anyone on College premises, at any College-sponsored activities, or in College vehicles is prohibited. These violations may result in disciplinary action which could include criminal prosecution.
- B. With the exception of parking lots, the use of all tobacco products is prohibited on College premises by any member of the College community, visitor, guest, or volunteer. The use of all tobacco products is prohibited in College vehicles at all times.

### **V. Reporting/Sanctions**

- A. Anyone who witnesses or has knowledge of violations of this Policy and Procedures occurring on College premises or at a College-sponsored activity should contact College Security. Call 4444 from a main campus phone or a Monroe Center office

phone or (301) 846-2453 from any other phone. In the case of an emergency, call or text 911. Reporting protocols for off-site programs will be followed for violations of this Policy and Procedures.

### **B. Students**

1. Anyone who has ATODA concerns regarding a student should complete a Student Behavior Incident Report Form (<https://publicdocs.maxient.com/incidentreport.php?FrederickCC>) and submit it to the Office of the Associate Vice President/Dean of Students, located in Suite J319 of Jefferson Hall. Students charged with violating the ATODA policy will be adjudicated under the College [Code of Student Conduct](#).
2. Sanctions for students are listed in the [Code of Student Conduct](#), Section VI.C.

### **C. Employees**

1. Anyone who has ATODA concerns regarding an employee should contact the AVP for Human Resources, located in Suite G223 of Gambrill Hall. The AVP for Human Resources must then notify the appropriate supervisor and Senior Leader.
2. Sanctions for employees are outlined in the [Employee Misconduct Policy and Procedures](#).

### **D. Visitors, Guests, and Volunteers**

1. All violations of this Policy and Procedures by visitors, guests, or volunteers should be reported immediately to College Security. Call 4444 from a main campus phone or a Monroe Center office phone or (301) 846-2453 from any other phone. In the case of an emergency, call or text 911.
2. Law enforcement may be called to respond if a visitor, guest, or volunteer is in violation of this Policy and Procedures.

## **VI. Opioids Overdose Response**

- A. FCC adheres to the Heroin and Opioid Education and Community Action Act (Start Talking Maryland Act) and follows guidelines and procedures outlined in the act, including utilization of nasal Naloxone by designated and trained employees of the College.
- B. The Director of College Safety and Emergency Preparedness will:
  1. Designate employees who are to receive training and be certified every two years in the use of nasal Naloxone.
  2. Ensure that the nasal Naloxone kits are current and not past the expiration date.
  3. Ensure proper, secure, and efficient storage and deployment of nasal Naloxone for College use.
  4. Ensure that any use of the nasal Naloxone on an individual is documented, and required notifications are made to the Chief of Operations, Poison Control Center, and the Frederick County Health Department.

### **VII. Notification of Conviction**

- A. As a condition of employment, employees must abide by the terms of this Policy and Procedures and notify the Human Resources Office in writing of any criminal drug statute conviction, no later than five calendar days after such conviction. Lack of compliance with these requirements may subject the employee to separation from employment.
- B. Upon receipt of notification of a conviction, the College will take the following actions as required by law:
  - 1. Notify the appropriate federal agencies of such convictions within ten calendar days, and
  - 2. Take appropriate personnel action against the employee, up to and including separation from employment; and/or
  - 3. Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.
  - 4. Sanctions for employees may include reprimand, warning, suspension with or without pay, or separation from employment. The College may also require the completion of an appropriate rehabilitation program.

### **VIII. Acceptable Use**

- A. Alcoholic beverages may be served at College-sponsored events or non-College-sponsored events held on College premises with the written approval of the President upon securing the proper licensing, permitting, insurance, and meeting all local and state requirements related to usage control.
- B. Specific curricula or program areas may have acceptable use policies upon approval of the President.
- C. The handling of prescription/controlled medications as part of health science clinical assignments is granted by the President.
- D. Employees should report to work fit for duty and free of any adverse effects of illegal drugs or alcohol. This does not prohibit employees from the lawful use and possession of prescribed medications. Employees must, however, consult with their physicians about the medication's effect on their fitness for duty and the ability to work safely and promptly disclose restrictions to their supervisor. Employees should not, however, disclose underlying medical conditions to supervisors, but should do so to the Health Insurance Portability and Accountability Act (HIPAA) official in Human Resources.
