

How to Complete the Registration Form

Before You Begin

Exam administration schedules, registration dates and deadlines are set by individual test centers.

Contact your test center directly for this information before filling out this registration form. Some institutions use their own forms or have online registration procedures. Others will accept this form. Check with your test center to find out the deadline for submitting registration information.

Items 12 and 13 — Test Dates

Contact your test center for available test dates. Enter your first and second test date choices (month, day and year). A second date is needed in case there are any scheduling problems.

If you plan to take more than one test, you must submit separate fee payments for each exam.

Item 15 — Students with Disabilities

Check this box if you require testing accommodations. Make sure to contact your test center well in advance of the test date to make the necessary arrangements and to find out its deadline for submitting documentation. (See page 3, “Accommodations for Students with Disabilities.”)

Item 17 — Examinations

Check the box next to the title of each examination you wish to take. If your school requires you to write an optional essay, check the box and enter the title of the exam(s) for which you will also take the essay section. Exam descriptions are on pages 4–6.

Test centers’ policies vary as to how many examinations you may take in one day. Check with the test center where you plan to test.

Item 18 — Repeating Examinations

If you are repeating any of the examinations you checked in Item 17, check this box.

Any examination may be repeated six months or more after you last took it, but inquire about your college’s regulations before registering for retesting. **Scores on tests repeated earlier than six months will be canceled and test fees forfeited.** DANTES-funded military examinees: Effective Dec. 11, 2010, DANTES no longer funds retesting on previously funded CLEP exams. However, service members may personally fund a retest after waiting six months.

Item 19 — Fees

CLEP Exam Fees: The fee for each CLEP exam is \$80. If your institution requires an optional essay for a composition or literature exam, you must pay an additional \$10 fee to your test center at least 7–10 days before your exam. CLEP exams and optional essays are free to all eligible military personnel and civilian employees (with proper military ID). Test fees must be paid by valid credit or debit card (preferred method of payment) or a check or money order made payable to the College-Level Examination Program. Checks made payable to any other payee will not be accepted, and CLEP cannot be responsible for cash sent through the mail. Your check or money order may be dated no more than three months earlier than the test date. There is a \$15 surcharge for a returned check. A separate payment is required for each CLEP exam.

Test Center Administration Fees: Most test centers charge a nonrefundable administration fee, directly payable to the institution. **Each test center establishes its own policy and may charge a different amount.** DANTES-funded test-takers only pay the test center administration fee if they test at college test center which is not located on a base or sponsored by a military base.

Contact the test center directly to inquire about forms of payment for the administration and optional essay fees.
