Business Administration

The Business Administration program is designed for students who plan to transfer to a four-year college or university and earn a bachelor's degree in a business related major.

Business Administration A.A. Degree

Students in the Business Administration A.A. degree program will take courses in economics, accounting, basic business, computing, statistics, general education, and elective courses to prepare them for more advanced business studies upon transfer to a four-year college or university. This program also prepares students for entry level jobs or advancement in business prior to transfer.

Business careers are very diverse, including: marketing, general management, financial services, human resources, business consulting, international business, logistics, and project management. Business majors learn management, technology, and communications skills, enabling them to work in a changing global marketplace.

The Business Administration A.A. can be completed entirely online.

Learning Outcomes

- Demonstrate competence discovering, applying, and thinking critically about basic business, accounting, and computing concepts and trends.
- Identify and analyze ethical issues in business.
- Communicate effectively using multiple communication methods (oral, written, graphic, and electronic).
- Demonstrate the ability to work effectively and cooperatively as part of a team/work group.

Financial Assistance

Frederick Community College (FCC) provides a tuition payment plan for students who wish to spread payment over several months. Scholarship and loan assistance is available for eligible students. For complete scholarship information, contact Financial Aid at 301.846.2620.

Transfer Note

To find more information about how credits will transfer from FCC to a state four-year institution, visit artsys.usmd.edu or consult a College advisor. FCC has articulation agreements with Stevenson University, Mount St. Mary's University, University of Maryland College Park at Shady Grove, and University of Maryland Global Campus, affording students a seamless transfer experience. Students who plan to transfer should speak with an advisor or program manager from their chosen transfer institution before selecting elective courses.

Growth Potential & Estimated Salaries

The median annual wage for business and financial occupations was \$68,350 in May 2018. Overall employment of business and financial occupations is projected to grow seven percent from 2018 to 2028, faster than the average for all occupations.
