

# 2019-20 Academic Catalog Addendum

### **Corrections:**

Page Number	Correction
19	Advanced Placement Exams - correction to Test: Environmental Science, FCC Credit should be for BSCI 105 (not BSCI 205)
19	Advanced Placement Exams - added Test: World History, Score: 4 or better, FCC Credit: HIST 122 (3) (Note: Credit award available beginning with the 2019-2020 academic catalog. Students must be in the current academic catalog year to earn credit.)
57	Arts & Humanities A.A. Degree - in last bullet, Mass Communication should be added to the list of Areas of Concentration (newly approved AOC - see details below)
58	Communications Area of Concentration - under Electives, Digital Media should read Film & Video, Graphic Design
61	Graphic Design Area of Concentration - due to the newly approved Graphic Design A.A.S. degree (see details below), the Graphic Design AOC within the A.A. degree in Arts & Humanities will be discontinued. No new students will be admitted to the AOC program. Students will now select the A.A.S. degree when choosing a major for 2019-2020. Current students in the 2018-2019 catalog year and prior have the option to complete the AOC within the 5 year teach-out period or to change their major to the AAS degree in the 2019-2020 catalog year.
69	Healthcare Practice Management Certificate - in program description, Students must receive a grade of "C" or better in all MEDA courses (not MDA courses)
92	Addictions Counseling Area of Concentration - due to the newly approved Addictions Counseling A.A.S. degree (see details below), the Addictions Counseling AOC within the A.A. degree in Social Sciences will be discontinued. No new students will be admitted to the AOC program. Students will now select the A.A.S. degree when choosing a major for 2019-2020. Current students in the 2018-2019 catalog year and prior have the option to complete the AOC within the 5 year teach-out period or to change their major to the AAS degree in the 2019-2020 catalog year.
101	Audio Production Technology Area of Concentration - under Electives, FILM 103 should be FILM 101
102	Computer Aided Design Technology Area of Concentration - under Concentration Courses, CADT 201 should be CADT 210
102	Architectural Computer Aided Design Certificate - under Departmental Requirements, CADT 201 should be CADT 210
103	Cybersecurity Area of Concentration - under Concentration Courses, CMIS 113 should be CMIS 120 and CMIS 112 should be CMIS 121
109	Surgical Technology Certificate - Under Departmental Requirements, should read General Education Communications (COMM required) (not CMSP required) and Electives line should be deleted (6 credit Elective requirement is for the Surgical Technology A.A.S. degree, not the certificate)
121	CMIS 179-Cybersecurity Fundamentals - change to prerequisites and course description, should be as follows:  Prerequisite: (ENGL 70 or ENGL 75) OR (ESOL 72 and ESOL 73) OR Co-requisite:  ENGL 75 or (ESOL 72 and ESOL 73)  (formerly CIS 179)  Surveys cybersecurity concepts and practices including malware, anti-malware, social engineering, information privacy, data security, and security policies.

	Students learn to identify cyber threats, threat sources, and threat mitigations as well as protect them from Internet predators. Students will be able to evaluate security policies and procedures.
122	CMIS 201 - Co-requisite: CMIS 140 has been removed
132	FEMA 156 change to course title and course description, should be as follows:  FEMA 156-Emergency Management Principles for Educational Environments (1)  (formerly FEM 156)  Provides an orientation to basic emergency management principles, activities, and planning strategies that is specifically tailored to the needs of K-12 schools and postsecondary educational institutions. Introduces the concepts of comprehensive emergency management, risk assessment, planning, and plan exercise as they are applied in school settings. Offers opportunities to study and practice situation analysis, planning team formation, and development of Emergency Operations and Recovery Plans.
137	Under GEOG: Geography, GRPH 112-Graphic Design II (3) should read GEOG 101- Elements of Geography (3)
146	MATH 275 pre/co-req should be Prerequisite: (Grade of C or better in MATH 195 or MA 211) AND (Prerequisite or Co-requisite: MATH 220 or MA 214)
158	RUSS 201 - Prerequisite should be RUSS 102 (not RUSS 101)

## **New Approved Credit Courses:**

Course Number, Title, Credits	Effective Date
GRPH 214-Web Design II (3) (formerly CMM 214)	Summer 2019
PHED 140B-Fitness: Bang Power Dance (1)	Summer 2019

## **New Approved Cultural Competence Courses:**

Course Number, Title, Credits	Effective Date

## **New Approved General Education Courses:**

Course Number, Title, Credits, GenEd Designation	Effective Date
PHIL 102-Critical Thinking (3), GenEd Humanities	Summer 2019

## **New Approved FEMA Courses:**

Course Number, Title, Credits	Effective Date
FEMA 228-Public Assistance Program: Practical Management Elements (1)	Summer 2019

## **New Approved Programs:**

Degree Name	Effective Date
Addictions Counseling A.A.S see program requirements attached	Summer 2019
Graphic Design A.A.S see program requirements attached	Summer 2019
Area of Concentration (AOC) Name	
Mass Communication Area of Concentration within the A.A. in Arts &	Summer 2019
Humanities - see program requirements attached	
Computer Aided Design (Engineering) Technology Area of Concentration	Summer 2019
within the A.A.S. in STEM Technology - see program requirements attached	
Certificate Name	Effective Date
Cloud Computing - see program requirements attached	Summer 2019
Retail Management - see program requirements attached	Summer 2019
Social Media Management - see program requirements attached	Summer 2019
<u>Practical Nursing</u> - <i>reactivated</i> - see program requirements attached	Summer 2019
Letter of Recognition (LOR) Name	Effective Date

## **Discontinued Programs:**

Degree Name	Effective Date
Nuclear Medicine Technology A.A.S.	Summer 2019
Area of Concentration (AOC) Name	Effective Date
Certificate Name	Effective Date
Computed Tomography	Summer 2019
Letter of Recognition (LOR) Name	Effective Date

## **Course Removals:**

Course Number, Title, Credits	Programs Affected	Effective Date
INTP 110-Interactive Discourse Analysis (3)	• None	Summer 2019
PHED 131-Intermediate Snowboarding/Skiing (1)	<ul> <li>None</li> </ul>	Spring 2020
PHED 132-Advanced Snowboarding/Skiing (1)	<ul> <li>None</li> </ul>	Spring 2020

## Course Changes:

Old Course Number, Title, Credits	New Course Number, Title, Credits	Effective Date
PHED 130-Beginning Snowboarding/Skiing (1)	PHED 130-Snowboarding/Skiing (1)	Spring 2020

### **Addictions Counseling**

#### A.A.S. Degree (Career)

Prepares students who are seeking specific knowledge in substance abuse counseling to work with clients in a broad range of treatment settings. Basic counseling and interviewing skills, assessment and diagnosis of substance use and other mental disorders, treatment delivery, ethical practice, and field experience are emphasized.

- o Students must complete their credit English and Mathematics within the first 24credits.
- o One course must meet the cultural competence graduation requirement.
- o CORE: The General Education CORE is that foundation of the higher education curriculum providing coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. http://artsys.usmd.edu/
- o In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.
- o For the Physical Education, Health, or Nutrition Requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- o Students must earn a grade of "C" or better in ENGL 101.
- o Students must complete a minimum of nine credits at the 200-level.

#### **Transfer Note:**

### **Computer Aided Design (Engineering) Technology**

#### Area of Concentration within the A.A.S. in STEM Technology (Career)

Teaches a full array of industry standard design skills and technologies including Computer Aided Drafting and Solid Modeling, enabling students to assist and work with engineers and related professionals. This program prepares students to pursue paraprofessional positions in engineering industries.

- o Students must complete their credit English and Mathematics within the first 24credits.
- o One course must meet the cultural competence graduationrequirement.
- o CORE: The General Education CORE is that foundation of the higher education curriculum providing coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. http://artsys.usmd.edu/
- o In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.

### **Graphic Design**

#### A.A.S. Degree (Career)

Designed for students whose career goals are oriented toward design for mass media. Students will learn to produce design for publications, illustration, web, video, photography, public relations, and presentation communications. Students planning to earn a B.A. in Graphic Design should consult an advisor to ensure this is the most appropriate degree for meeting their transfer goals.

- o Students must complete their credit English and Mathematics within the first 24credits.
- o One course must meet the cultural competence graduationrequirement.
- o CORE: The General Education CORE is that foundation of the higher education curriculum providing coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. http://artsys.usmd.edu/
- o In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course listwill satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting thesecourses.
- o For the Physical Education, Health, or Nutrition Requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- o Students must earn a grade of "C" or better in ENGL 101.
- o Students must complete a minimum of nine credits at the 200-level.

#### **Mass Communication**

#### Area of Concentration within the A.A. in Arts & Humanities (Transfer)

Designed to teach students to critically examine all types of media including film, television, advertising, journalism, and digital media to understand how it impacts, and is impacted by, society. Mass communication careers often require specific expertise, so this program offers concentrations of courses leading to applied knowledge in areas such as graphic design, digital video production, and technical communications. This concentration outfits the student with practical knowledge to prepare students to continue media studies at other universities.

- o Students must complete their credit English and Mathematics within the first 24credits.
- o One course must meet the cultural competence graduation requirement.
- o CORE: The General Education CORE is that foundation of the higher education curriculum providing coherent intellectual experience for all students. Students should check with an advisor or the transfer institution (ARTSYS) before selecting General Education CORE requirements. http://artsys.usmd.edu/
- o In some General Education categories (Mathematics, Biological & Physical Sciences), a 4-credit course selected from the GenEd course list will satisfy the requirement in place of a 3-credit course. Students should check with an advisor before selecting these courses.
- o For the Physical Education, Health, or Nutrition Requirement, a 3-credit PHED, HLTH, or NUTR course may satisfy the requirement in place of a 1-credit course. Students should check with an advisor before selecting this course.
- o Students must earn a grade of "C" or better in ENGL 101.
- o Students must complete a minimum of nine credits at the 200-level.

Students should check with an advisor or transfer institution (ARTSYS) before selecting their electives.	

#### **Transfer Note:**

### **Practical Nursing**

#### Certificate (Career)

The Practical Nursing (PN) certificate requires 48 credit hours and is approved by the Maryland Board of Nursing. Upon successful completion of the curriculum, the graduate is eligible to take the PN licensure exam. Graduates are prepared to give competent, safe nursing care to clients in a variety of settings. The licensed practical nurse (LPN) works in a team relationship with the registered nurse or physician in providing care based on knowledge, judgment, and skill and on principles of the biological, physiological, behavioral, and sociological sciences. The clinical portion of the practical nursing curriculum is completed in one year but because of prerequisite courses, demands of clinical experiences, and personal responsibilities, the entire curriculum will take at least two years.

A grade of "C" or better must be earned in all courses in the practical nursing program.
