

Course Formats

FCC offers a variety of course formats to meet the individual needs of students.

Classes will be offered using the following learning formats:

In-Person Courses*

The course will meet on campus in an in-person environment.

Students are expected to attend all class sessions in person.

All College health and safety protocols should be observed while on campus.

Online Courses (ONL)

The course is entirely online. Students may be required to come to campus, or an approved testing center, for certain assessments as specified in the syllabus.

The class does not meet at a scheduled time.

Students will meet all expected deadlines and expectations outlined by the professor.

Students complete work on their own time.

Web Enhanced (WE)*

This course will meet on campus in an in-person environment, typically during a 13-week session.

There will be additional mandatory online activities.

Students are expected to attend all class sessions.

All College health and safety protocols should be observed while on campus.

Structured Remote Courses (SR)*

The course is entirely online with scheduled class times. Students may be required to come to campus, or an approved testing center, for certain assessments as specified in the syllabus.

Scheduled class times will be used for real-time virtual sessions, which may include virtual lectures, group discussion, or other class activities.

Real-time virtual sessions will occur a minimum of once per week during scheduled class times. Scheduled real-time virtual session dates will be designated on the syllabus.

Students are required to attend real-time virtual sessions.

Hybrid Courses (HYB)*

The course will meet in person and require online participation as noted in the syllabus.

Online participation may mean real-time virtual participation (SR) or asynchronous participation (ONL).

Students are expected to participate in all in-person sessions and real-time virtual sessions and meet deadlines and expectations for the course on their own time as noted in the syllabus.

All College health and safety protocols should be observed while on campus.

Starting in January 2023, select courses may include a **Course Capture** or **HY-FLEX** course designation. Look for these designations in PeopleSoft. For more information, visit frederick.edu/courseformats

Please reach out to your advisor for help or contact emailadvising@frederick.edu to answer any questions.

*** IMPORTANT NOTE FOR IN-PERSON, WEB ENHANCED (WE), STRUCTURED REMOTE (SR), AND HYBRID (HYB) COURSES:** When registering for classes, consider the course format, meeting dates and times, and location(s) for in-person participation, as well as requirements for real-time virtual instruction. Students must allow appropriate transition times between classes to account for different meeting requirements and/or locations.

When on campus, specific protocols will be in place to ensure the safety of students, employees, and community members. Students should monitor their College email and the FCC COVID-19 webpage at frederick.edu/coronavirus for the most up-to-date information regarding hours and course offerings.
