GIVE YOURSELF CREDIT

You may already have earned college credit! Tell your advisor today if you have any of these AP scores or have taken any of the FCPS courses listed. A high school transcript and/or AP score report should be submitted to Registration and Records to receive credit.

Credit Awarded for Advanced Placement (AP) Examinations*

All AP exams are accepted with a score of 3 or higher. If you do not see an exam listed here it just means we have not evaluated it yet.

Note: Grade requirements are per course and not cumulative. Credit awards are subject to change based on revisions to College curriculum. Credit may not be transferrable to other institutions. Please speak with transfer institution regarding transferability.

Additional criteria required for articulated credit. FCC will award college credit to students who have enrolled in at least one FCC course, applied to the College after high school graduation and select a degree or certificate program, send official high school transcript after high school graduation, and initiate the process within two years of their high school graduation.
