

How students create a What-if Report from the Student Homepage:

Click the [Student Center](#) tile to access the [Student Center](#) page

The screenshot shows the Student Center homepage. On the left is a 'Student Center' tile with a document icon and a graduation cap. The main content area is divided into sections: Academics, Finances, and Personal Information. The Academics section includes a search bar, a message 'You are not enrolled in classes.', and a dropdown menu labeled 'other academic...'. The Finances section includes a message 'You have no outstanding charges at this time.' and a dropdown menu labeled 'other financial...'. The Personal Information section includes a dropdown menu labeled 'Demographic Data' and a link for 'Contact Information'. On the right side, there are several utility links: 'Search for Classes', 'Holds' (No Holds), 'To Do List' (No To Do's), 'Enrollment Dates' (Open Enrollment Dates), 'Advisor' (Program Advisor: None Assigned), and 'FCC Sites' (BlackBoard, Official Transcript Requests).

Under [Academics](#), in the “other academic...” drop-down menu, click on [What-if Report](#), then click the button

This close-up shows the 'Academics' section. The 'other academic...' dropdown menu is open, displaying a list of options: Academic Requirements, Apply for Graduation, Class Schedule, Course History, Enrollment Verification, Enrollment: Add, Enrollment: Drop, Enrollment: Edit, Enrollment: Swap, Grades, Transcript: View Unofficial, and Transfer Credit: Report. The 'What-if Report' option is highlighted in blue. A yellow arrow points to the right-pointing arrow icon at the bottom right of the dropdown menu.
