GUIDELINES AND REGULATIONS
GENERAL INFORMATION

The following guidelines and regulations are designed to provide direction and assistance for individuals and groups participating in student clubs and organizations.

Eligibility
All students enrolled for credit classes at Frederick Community College are eligible to become a member of any student club or organization. Some clubs, such as honor societies, may have academic restrictions for membership.

Membership
Membership or philosophy in any club or organization financed through the SGA must be open to all activity-fee-paying students, regardless of age, sex, handicap, race, color, religion, sexual orientation, national origin, or covered veteran status. All club/organizational meetings must also be open to all enrolled activity-fee-paying FCC students.

How to Start a Student Club
Complete a start-up club form, available in the Student Engagement office in H101. Include on the form the name and purpose of the club, members of the club board, the semester service project, and a faculty or staff member willing to serve as club adviser. You must submit a club constitution to the Coordinator of Student Leadership and Service within the semester of forming the club.

Sample constitutions are available in the Student Engagement office or email jmoxley@frederick.edu for an electronic version.

Once the Student Government Association approves a club, the club is eligible to request student funding (mini grants the 1st year), reserve space on campus and publicize their meetings and activities. They will also be listed in college publications and on the college website.

Maintaining Active Club Status
In order to maintain active club status, all clubs must:

1. Submit a Club Budget form by Dec. 15th and May 15th, that includes a list of club officers and their contact information, the dates, and times and location of the club meetings for the upcoming semester. Club Budget forms are located on pages 13-16 of the handbook.
2. Attend monthly SGA Meetings. Each club must have a representative at all SGA Meetings. If a club or organization fails to be represented at three or more meetings during the semester, they will be considered to be non-compliant and not eligible to use funds, space or conduct any other club/organization business for that semester, and must make a formal request to be reinstated.
3. Complete a Service Project each semester. Turn in the Service Project form by the end of the semester. Service Project form is located on page 17 of the handbook.

*Failure to submit this information will result in the loss of access to club’s funding, use of campus space, or any other club/organization business.
Role of Club Advisors
Club advisors can be any faculty or staff member at FCC. This is a great opportunity to serve as a mentor and resource for students. The roles of a club advisor vary depending on the level of involvement of the club and it is important for the club advisor and all club leaders to discuss expectations at the beginning of each semester. Club advisors do not need to be present at all club meetings but it is important to be aware of when meetings are being held. A club advisor must be present at all off-campus events and activities or events on campus that host a large crowd. Club advisors should be familiar with the club’s basic information – officer/member information, constitution, budget, and goals for each semester. Club advisors also responsible for upholding all College policy and procedures as they pertain to student clubs and organizations.

Role of Club Leaders
Club leaders have the exciting opportunity to build their leadership skills using both their academic and co-curricular (club) experiences. Leading a club is a lot of fun but can also be stressful without a healthy balance. Be sure to collaborate with your members/officers and delegate tasks to others when appropriate. As a club leader, you should be aware of all officer/member contact information, club meeting dates, times, and locations, activities and events, the club’s constitution, budget requests, and service projects. All club meetings, events, and activities must be advertised and open to all students. Club leaders should keep a record of attendance at club meetings and activities and report them to Jennifer Moxley. Club leaders must also have representation at all SGA Meetings (see more below). It is important for club leaders to create a partnership with their club advisor and keep them informed of club updates.

Club Attendance
Attendance should be taken at every club meeting, and then sent to Jennifer Moxley.

Student Government Association meetings
The Student Government Association (SGA) meetings are held twice a month. They are held on the 2nd and 4th Tuesdays of the month in H102A. The SGA consists of representatives from each student club or organization, and any credit paying student interested in attending. The purpose of the meetings is to share information about student issues, upcoming events, budgets and to understand more fully the voice of students on campus. Each club is responsible for sending a representative to these meetings to gather important information and give a report on the club’s activities. If a club or organization fails to be represented at the SGA meetings three (3) times during a semester, they will be considered to be non-compliant and not eligible to use funds, space or conduct any other club/organization business for that semester, and must make a formal request to be reinstated.

Service Projects
Each club is required to do a Service Project per semester, as a way to give back to the community. Service projects are to be listed on the budget forms handed in at the end of each semester for the following semester. Once service projects are completed, Service Project Forms are required to be submitted to Jennifer Moxley in CSE, to ensure funding for the following semester.

Student Activities Fair
Student clubs and organizations are encouraged to register for the Student Activities Fair, which is held usually the first week of September in the fall and the first week of February in the spring semester. Each student club or organization will receive an email with information about reserving a table. For more information, contact Jennifer Moxley.
Club Leader Transition
Turnover is a natural part of the leadership of a student organization but a great student group will put into place a smooth and effective leadership transition process. It is important to always be in the process of recruiting, training, and putting into place new club leaders to build on your accomplishments. All club leaders should complete the Club Leader Transition Guide, located on page 18.

EVENTS AND FACILITIES

How to reserve a room
Student clubs and organizations may reserve space on campus at no charge. To reserve space in H102A or H105, contact Jennifer Moxley or a staff member in the Center for Student Engagement. For other rooms on campus, advisors can reserve rooms through 25LIVE.

Food on campus
If funding has been requested and approved through the club budget process, it is up to the club to contact the Center for Student Engagement staff at least 2 weeks in advance to make arrangements. Requests submitted within two weeks of the event may not be guaranteed.

Evening events
If clubs and organizations plan to have an event that is expecting more than 50 participants than a club advisor must be present.

Use of college vans and outside transportation
If your club has requested funding for a trip and has been approved, please contact the Center for Student Engagement to help with this process. All trip sign-ups, signed waivers and money collected, will be done in the Center for Student Engagement. Transportation requests MUST be submitted 21 days prior to the event in order for transportation to be scheduled. According to the Transportation policy, only licensed CDL professional drivers are allowed to drive the FCC vans or rented buses for FCC transportation purposes. If FCC vehicles are not available, Wolfe’s transportation will be used at a much higher rate of cost.

Emergency Situations
If an emergency situation occurs during a college-sponsored off campus activity, the trip organizer must:
1. Notify the appropriate emergency and law enforcement personnel.
2. Notify emergency personnel first, and then the emergency contact listed on the FCC Waiver form.

PUBLICITY AND MARKETING

Publicizing your events
The Center for Student Engagement is staffed with a graphic artist, Kristi Mills, to help advertise your meetings and events on the SmartBoard outside the Grille. Email the information and any ideas for graphics, and allow one week for her to produce the sign. Posters/fliers for club events can be sent to Kristi Mills to reproduce to be posted on campus bulletin boards. All fliers and poster need to have the non-discrimination policy and ADA statement on them at the bottom. Please allow two weeks before your event for posting, so as to have enough time for people to read it. Posters/fliers are put on
boards weekly. If you create your own flyers you must get approval from the Center for Student Engagement before they are posted.

**Non-discrimination policy and ADA statement**
Frederick Community College prohibits discrimination against any person on the basis of age, ancestry, citizenship status, color, creed, ethnicity, gender identity and expression, genetic information, marital status, mental or physical disability, national origin, race, religious affiliation, sex, sexual orientation, or veteran status in its activities, admissions, educational programs, and employment. Frederick Community College makes every effort to accommodate individuals with disabilities for College-sponsored events and programs. If you have accommodation needs, please call 301-846-2408. To request a sign language interpreter, please call 240-629-7819 or 301-846-2408 (Voice) or email Interpreting@frederick.edu. Sign language interpreters will not be automatically provided for College-sponsored events without a request for services. To guarantee accommodations, requests must be made at least five workdays in advance of a scheduled event.

**Print Shop and Copy Machine**
The Center for Student Engagement can make copies for your club, to a reasonable amount. If you have a larger quantity, the CSE will send it to the Print Shop on campus. It is best if you send what you need printed via email, in Word, so that we can send it directly to the Print Shop if needed.

**Posting Policy & Campus Bulletin Boards**
Although CSE will be happy to post posters/fliers for you, if you choose to post them, please make sure they are posted ONLY on designated boards around campus (20 of them). Please use push pins...NEVER staples. All club event flyers must have the CSE stamp of approval on them, and they must also have the non-discrimination policy and ADA statement.

**Chalking**
Students may use chalk for announcing events, but require permission from the Center for Student Engagement in advance. Chalk may be used on horizontal (i.e. SIDEWALKS) surfaces which can be hit by rain. Be aware, individuals and/or groups may be assessed restitution charges for damages caused to College property.

**BUDGET REQUESTS AND FINANCIAL PROCEDURES**

**Student Club Budget Process**
When students register for credit classes, a Student Activity Fee is charged. The funds collected through this fee are given to the Center for Student Engagement to allocate in support of student activities. All officially recognized student organizations may submit a budget request to the Student Government Association. The budget process begins in April to request funds for the fall semester, and in November to request funds for the spring semester. New Clubs may submit a mini-grant application for any funds they need for the year, up to $200 per semester. Once they are an established club for a year, they can then submit a budget to SGA for the upcoming years.

1. Budget request forms are distributed in April and November for the following semester budget. Additional forms will be available in the Student Engagement office. Included with the Budget Request should be any information that you feel would better enable the financial committee to review your request.
2. Completed budget request forms are due on May 15th and December 15th. Budgets will then be reviewed and returned at the first SGA meeting of the semester.

Criteria for allocations
The Student Government Association considers the following criteria when reviewing budget requests:

- Attendance at SGA Meetings
- Ability to present knowledge of activities planned
- Number of active members in club
- Success of activities held during current year
- Number of students who will benefit from proposed activity
- Educational, social, cultural, or recreational value of programs

How to Access Approved Club Funding
Clubs can access money for approved events by contacting their club advisors and Jennifer Moxley in the Center for Student Engagement.

When possible, the preference is to use the College credit card for all purchases. However, either members or the advisor is able to pay for the cost-related item, then you can put in for a reimbursement after the fact, just make sure you have the itemized receipt(s).

*Reimbursements will only be given for expenses that were approved in your budget.*
*All reimbursements MUST be submitted for payment within 30 days of the event.*

Account Balance
Contact Jennifer Moxley for a copy of your account balance or your club’s transactions. Please allow for a few days’ notice for account balance. We are strongly encouraging all student clubs to keep track of their own spending.

Deposits
All money acquired by the club from fundraisers/donations, must be submitted to Jennifer Moxley for tracking purposes. Funding will then be deposited into the club account for later use. Any external fundraising must be pre-approved by the Office of Institutional Advancement.

Club Leader Transition Guide

As a club leader, it is not enough to build and run a good organization; your mission should be to leave your organization in the hands of students that will continue to build on your accomplishments. Therefore, you should always be in the process of recruiting, training, and putting into place new club leaders. While turnover is a natural part of the leadership of a student organization, a great student group will put in place a smooth and effective leadership transition process.

You have learned important things along the way that can help future leaders. Mistakes, tips, tricks, ideas and success are all important things to share. Think: What would you have wanted to know when you took a leadership position?

Here is a checklist of helpful things to complete during the club leader transition:

- Complete post-assessment with the Center for Student Engagement (see Jennifer Moxley)
- Introduce new officer(s) to the club advisor(s)
- Share contact information of all club leaders and advisor(s)
- Give access and instructions to any online platforms such as:
  - Social media accounts
  - Online documents storage (such as OneDrive, Dropbox, or Google Drive)
  - National affiliation website login information/passwords
  - Information about any other communication tool your club may utilize
- Share all important club documents:
  - Club Constitution
  - Budgets/Financial reports
  - Club agendas
  - Sign-in sheets
  - Any evaluations of events/programs
  - Calendar of events and deadlines
  - Officer position descriptions
  - Election process and timeline
  - Membership recruitment information and timeline
  - List of members and their contact information
  - Special events
  - Marketing (logos, fliers)
  - Photos
- Pass along your wisdom:
  - Description of the club culture
  - Tips of running an effective meeting
  - Ideas for improvement
  - Do not “drop off the face of the earth” – be available for consultation or questions
