Part II - Program Learning Objectives Assessment

Digital Media Design - Television Production

Student

Date

Place of Employment

Supervisor

Title

Employer: Please evaluate your Internship Education student based on the Program Learning Objectives for the Digital Media Design - Television Production Career Program.

Program Learning Objectives	Outstanding	Very Good	Average	Marginal	Unsatisfactory	Not Applicable	Comments
Program Learning Objective 1 Students planning to enter the communications workforce will learn current digital media design skills and procedures that will enable them to function successfully as entry level employees in a professional production facility.							
Program Learning Objective 2 Participating in the Digital Media Design program will enable students to enhance their skills as critical thinkers, effective problem solvers and effective ethical communicators who demonstrate professional behaviors consistent with industry standards							
Program Learning Objective 3 Upon completion of this program, graduates will demonstrate their ability to plan, produce and edit digital media segments that reflect an awareness of current visual media standards and clearly and appropriately communicate concepts to a target audience.							
Program Learning Objective 4 Students will become aware of applications of digital media to the Internet and merging technologies through interactive media exercises and demonstrations.							

Part III - Assessment of Student's Personal Learning Objectives

Digital Media Design - Television Production

For each Student Specific Learning Objective, please write a statement regarding the student's achievement of that objective. The statement should focus on how the student demonstrated achievements of the objective. You may then rate the achievement of each objective, and the student's overall performance.

	Outstanding	Very Good	Average	Marginal	Unsatisfactory
