

# Physical Therapist Assistant Associate of Applied Science

Prior to admission to the Physical Therapist Assistant (PTA) Associate of Applied Science (AAS), students complete prerequisite courses in the Pre-Health Professions Major

For Best Consideration apply by June 1<sup>st</sup>, 2024

1. **Apply to the College:** Apply to FCC and declare Pre-Health Profession PTA as your major.
2. **Complete Placement Tests:** Complete FCC placement tests as needed - consult with Admissions or Advising.
3. **Submit Official Transcripts:** Send official college/university and high school transcripts, SAT & ACT scores as well as any CLEP, IB or AP scores to the Registration and Records Office.
  - a. Minimum unweighted 2.5 GPA from high school transcripts **OR** cumulative of college work (at least 12 credits)
4. **Apply for Financial Aid:** Apply for Financial Assistance – Submit the FAFSA and apply for scholarships.
5. **Complete Pre-Admission Courses:** Complete the following requirements with a grade of C or higher\*

MATH – MATH 120 Statistics or Higher

BSCI 150- Principles of Biology

\* Final pre-admission courses, including sciences, can be in progress the semester application is submitted or planned for summer semester. Student must pass BSCI 150 and MATH 120 or higher with a C or higher prior to admission in the Fall.

6. **Required Videos:** Watch the two videos below concerning PTA employment. Attest to watching the videos.
  - a) <https://www.youtube.com/watch?v=3BJODalqR-0>
  - b) <https://www.youtube.com/watch?v=xZU-2ldzlk>
7. **Work Experience:** *No work experience is required* for application, but related work experience as Physical Therapy tech or aide, Athletic Trainer, Exercise Physiologist, Massage therapist, or CNA qualifies the applicant for additional points on their application. The hours must be completed in the past year and the work experience must be documented on the Employment Verification Form.
8. **Read Essential Functions for a PTA Career (on FCC PTA webpage):** Students will need to attest to being able to perform the physical tasks, observational skills, behavioral responsibilities, and cognitive abilities necessary to be a PTA. The information to review is located on the FCC PTA webpage under Prospective Students.

For those students who have submitted all documentation and met the above criteria, a point system is used to select candidates for admission to the technical portion of FCC's PTA program. Points are assigned for grades in the general education courses completed by time of the application, work

experience, service/volunteer hours, and previous degrees. The students with the highest point total are offered an admission to the program. If an accepted student declines his/her seat in the program or fails to meet summer course requirements, the next eligible student with the highest score is offered an admission to the program.

Completion of additional program courses (see below) by the June 1<sup>st</sup>, 2023 application deadline is highly recommended as this adds points to a student's application and makes the student more competitive for admission.
