

Welcome to **C130**. This classroom is equipped with an all-in-one PC/Monitor with an internal DVD player, an Apple TV, a ceiling mounted projector with sound, and an audio video control system. The projector screen is ceiling mounted and pulls down manually.

The all-in-one PC is located on the instructor console. The PC will automatically log in. It is running Windows 8 with the latest version of Microsoft Office. Other program specific software may be installed (if requested by a program manager).

- If the PC screen is blank move the mouse to wake it up. If it does not respond, press the power button located on the right side of the monitor.
- If the computer has locked or needs to log in, the username is C130 and the password should be left blank.

The DVD player is located on the right side of the all-in-one PC. Playback controls will launch on the PC once the disc is inserted. USB ports are located on the left side of the PC.
