

F-112 is equipped with a computer, projector, document camera, a retractable projector screen, and an A/V control system with sound.

The computer is located in the instructor console.

- If the PC screen is blank, move the mouse to wake it up. If it does not respond, press the power button located on the computer.
- Log in by typing `fcc\` followed by your network name and password.
- **REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.**

The A/V controller for projector power, volume and input source is located at the top of the equipment rack of the instructor console.

The document camera uses the Laptop/DocCam button.

If you wish to connect other devices to project to the projection surface, use the cables on top of the console and press the corresponding button on the A/V controller.

A **DVD** player, **CD** player, **Audio amplifier**, and **computer** are located in the console rack.

You may need to **power on** the audio amplifier and select the appropriate source when using the **CD** or **DVD** players.
