TUITION & FEES

Our College is dedicated to providing quality education, superior resources, and affordable tuition. FCC tuition and fees for a full-time (12 credit) in-county student amount to approximately \$3,700 per year. By comparison, the College Board reports the national average for tuition and fees exceeds \$9,000 at public four-year colleges and averages \$31,000 at private schools. With high academic standards and affordable tuition rates, FCC is a wise choice for higher education.

HOW TO APPLY & REGISTER

Please monitor your myFCC email for updates from the College.

New Students

NOTE: For more information about programs and careers offered, admissions, or enrollment steps, please go to frederick.edu/admissions

Please follow the steps below and call 301.846.2400 if you have questions.

1) Apply to the College

- Go to frederick.edu/apply to apply online.
- Applicants will receive a welcome letter in the mail and your Student ID number will be emailed to you using the address included on your application. You will need your ID number to access your student accounts and register for classes. If you come to campus to register, bring this letter with you or take a picture of the letter.

2) Prepare for registration

All new students must complete placement tests in mathematics, reading and writing before enrolling in credit courses. In some circumstances, the College may exempt placement test requirements for students with previous college credits, grades, or test scores that meet specific criteria.

Students who have graduated from a Maryland Public High School within the last five (5) years should submit their HS transcript to be evaluated for possible exemption from placement testing or factored into their course placement.

If you have attended other colleges and/or have completed prior learning elsewhere, please send your official transcripts from each institution and/or prior learning source to Registration & Records. To comply with the Maryland College and Career Readiness Act of 2013, the College requires that all degree-seeking students complete a college credit-bearing math and college credit-bearing English course prior to the completion of 24 college credits.

3) Log into FCC online accounts

Please reset your password through the IT Help Desk & Password Reset button on the Student Portal page, or use the following:

<https://passwordreset.microsoftonline.com/?whr=frederick.edu>.

Note: Make sure you are using the following format: W+studentID@myfcc.frederick.edu – Example: W1234567@myfcc.frederick.edu to log in to Outlook email and download the mobile Navigate360 App from your device's app store.

4) New Students - Orientation, Advising, and Registration

If you're a new student planning to attend FCC for your first college experience, participating in an orientation program and meeting with an academic advisor is essential to help you prepare for your first semester. Before scheduling an orientation, advising session, or registering for classes, make sure you've applied to the college and completed your placement assessment (or submitted testing exemptions).

1. Orientation

All students should complete the online Go2Orientation for helpful information about the College, Testing Services, Academic Support, Student Services, Advising, College Policies, Campus Safety and more. To learn more about Go2Orientation, visit frederick.edu/orientation.

Compass Days are a great way to engage in career and transfer planning, meet your assigned advisor, plan your academic pathway, select and register for classes, meet other students in your major, learn about strategies for academic success, and get a campus tour. Career & Academic Planning Services offers group advising by major during Compass Days. Learn more and register for Compass Days at frederick.edu/orientation.

2. Advising

Meeting with an Academic Advisor is essential for selecting the right classes for career and transfer planning, and ensuring that you graduate in a timeframe that is right for you. You can schedule an appointment between September and December, or between February and July, by visiting frederick.edu/caps or by downloading the Navigate360 app. During the month of January and August, advising will be available on a walk-in basis only. Simply visit Jefferson Hall to meet with an advisor. For more information, visit frederick.edu/caps.

3. Registration

Register for classes via PeopleSoft through the Student Portal. Your UserID for PeopleSoft is W+your student ID (e.g., W1234567), and the password is the same as your Outlook email login password.

5) Pay for classes

Payments can be made online through PeopleSoft or by visiting Student Finance (Jefferson Hall, 3rd Floor)

Students may not attend a class if they have not registered for that class and made payment arrangements. See payment due date on page 1.

Readmit (Returning to FCC) Students

If you've attended FCC before, but not since the summer 2024 semester, complete the admissions application and select "Readmit" under Classification. You will follow the requirements of the current catalog year.

Current and Transfer Students

1) If transferring from another college or university you must request that your previous institutions send your official transcripts directly to FCC.

Evaluations take between 7-10 business days and longer during peak periods. This includes non-traditional course platforms like ACE, AP, Cambridge, CLEP, DSST (DANTES), International Baccalaureate (IB), Military, and NCCRS. Email transferevaluation@frederick.edu with any questions.

2) Review your Degree Plan.

See Student Services Available Online (page 5). Courses still needed are indicated as "Not Satisfied." Developmental English and mathematics requirements will not appear, but, if needed, you should include them in your schedule and plan to take them first.

3) Meet with an advisor to talk about your course selection and to discuss your academic and career goals.

- Students are assigned an advisor based on their academic major. Students should be sure to schedule their advising appointment with their assigned advisor. Scheduled appointments are available from September through the first week of December, and February through July. Walk-in advising is available the 2 weeks before winter break, and the entire months of January and August. Use the Navigate360 mobile app or the Career & Academic Planning Services (CAPS) webpage to find your assigned advisor and to schedule an advising appointment.
- Students on academic alert or academic probation need advisor approval prior to registering for classes. frederick.edu/CAPS
- Students returning from academic suspension must meet with their assigned advisor prior to registering for classes. Students returning from academic dismissal must meet with the Director of Student Success & Retention. Call 301.624.2707 to schedule an appointment.

4) Register for Classes

On the web or in person

• Web registration

Go to <http://myFCC.frederick.edu>. Click on **PeopleSoft/Student Information System** in the blue navigation bar, then follow the online instructions.

Or, if you need assistance, you can register in person.

• Register in person

Bring your registration form to Credit Registration (Jefferson Hall, 1st Floor).*

*In-person registration form service is subject to change.

- If you're on academic alert or probation, you must see an academic advisor before you register.

If you plan to take more than 18 credits during the semester, you will need your advisor's signature.

5) Review your schedule

** When signing up for a mixture of structured remote, hybrid remote, and face to face classes, please be sure to leave sufficient time between classes to move between campus and an appropriate workspace for your structured remote session.

- Check classroom locations (Some courses are held off site).
- Check course start and end dates (Some courses do not begin at the start of the semester).

- Check to see if you have registered for a linked class. If so, make sure you are registered for both components.
- Print your schedule to be sure you have completed the process correctly.
- If you have registered for an online class, see page 27 for more information about online classes at FCC.

Students may not attend a class if they have not registered for that class and made payment arrangements.

Dual Enrollment of High School Aged Students

Tuition and fees for High School students are not waived during the summer term. Students will be 100% responsible for tuition and fees.

FCPS students who want to earn both high school and college credit for a course must adhere to the FCPS guidelines and complete the appropriate paperwork prior to the start of the course. Students should contact their high school counselor.

Discounts and waivers apply to fall and spring semesters only, summer sessions are excluded. To learn more about dual enrollments programs available to high school aged students during the school year, please visit frederick.edu/de

Subject to change without notice.

Academic Assessment and Placement Policy and Procedures

College Policies and Procedures are reviewed regularly. Please refer to the official policy located on frederick.edu for updates.

I. Philosophy and Scope

Frederick Community College ("FCC" or the "College") is committed to supporting student success by ensuring appropriate course placement using a series of computer-based assessment tests that measure individuals' reading, writing, and math skills. Minimum placement scores, known as cut scores, are established through statewide agreements. These scores are used to determine college-readiness and placement into specific courses, including developmental, English language acquisition, and college-level courses. Credit courses have prerequisites that include expectations of college-readiness as reflected in the placement scores and/or other pre-established expectations. This policy and procedures outlines placement test requirements, guidelines for placement, and exemptions and exceptions to required placement testing.

II. Definitions for the Purpose of this Policy and Procedures

- A. **"Certificate-Seeking"** refers to a category of individuals who have declared an intent to follow a sequence of specific credit courses resulting in a formal award of completion of up to 36 credits.
- B. **"Courses of Interest"** refers to a category of individuals who seek to take courses listed as credit in the FCC Academic Catalog for personal knowledge or professional development as opposed to the fulfillment of FCC program requirements.
- C. **"Degree-Seeking"** refers to a category of individuals who have declared an intent to follow a prescribed curriculum in a career or transfer program that leads to an associate degree, which is generally sixty (60) credits, unless otherwise specified.
- D. **"Developmental Courses"** refers to courses that prepare students for college-level coursework in reading, writing, English for Speakers of Other Languages (ESOL), and math. If you apply after the deadline and your file has not yet been processed, you will need to make payment arrangements with the Student Accounts Office. Detailed information on all financial aid programs can be found at frederick.edu under Paying for College.

Attendance Requirement

Students receiving financial aid must attend courses to qualify for their awards. Failure to attend will result in the student owing a balance with the College. Students must drop their courses prior to the 100% refund date for their sessions if they do not attend.

Recommended deadline for the Summer 2026 semester:

A financial aid file is considered complete when all required documents have been received. Students will be able to view their financial aid awards in PeopleSoft. Payment plans are available for students who have not been awarded by the payment due date.

Students should submit all required paperwork by **April 15, 2026** for the Summer semester to allow for processing. Students submitting paperwork after this deadline should sign up for a payment plan to ensure they are not dropped for non-payment.* Submission of a FAFSA and paperwork is not a guarantee of eligibility for financial aid.

** Please refer to pages 3 for payment deadlines and drop zone information.*

Maryland State Scholarships

Information about the application process and important deadline dates for Maryland State Scholarships please check: www.mhec.state.md.us.

It is important that each student create a MDCAPS account on the portal to receive information about Maryland State scholarships and to view requested documents.

Family Educational Rights & Privacy Act of 1974 (FERPA)

The Family Educational Rights and Privacy Act, otherwise known as FERPA, provides students with the right to review their education record, request an amendment to their education record, consent for disclosure, and file a complaint with the U.S. Department of Education.

The purpose of FERPA is to afford certain rights to students concerning their educational records. FERPA applies to all schools that receive funding under most programs administered by the Secretary of Education. Most postsecondary institutions, both public and private, generally receive such funding and must, therefore, comply with FERPA.

FERPA applies to all education records maintained by a postsecondary institution, or by any party acting for the institution, which are directly related to the student. These include, but are not limited to, assessment test scores, academic standing, rosters, class schedule, or any information that would make the student's identification easily traceable. FCC may release directory information, which includes student's name, dates of attendance, and enrollment status—see the FCC catalog for a complete list.

Students wishing to restrict directory information or grant additional access must contact Registration and Records (in writing) with their request. There is no expiration date for these access exceptions. Contact Registration and Records for additional information.

The Consent to Release Student Educational Records is an electronic form available online at www.frederick.edu/admissions/registration-forms.aspx.

The Bookstore is located at the main entrance of the Student Center. Stop in for school supplies, snacks, and the latest FCC gear.

No Cost / Low Cost Textbooks

FCC is committed to making college more affordable with more faculty adopting lower cost textbook options.

Within this schedule, if a course has this icon, it means some or all sections of the course utilize textbook materials for less than \$40 and/or free Open Educational Resources. For the textbooks or materials required for the course, please check bookstore.frederick.edu. Certain no/low cost textbook courses (e.g., science labs, art studio classes) have textbooks available for less than \$40 but may require purchase of additional course materials and supplies.

When you register for classes, check the notes section to see if the course offers a No Cost/Low Cost textbook option.

No/Low Cost Textbooks: At FCC, this symbol indicates courses in which some or all sections utilize textbooks that are available for less than \$40 and/or free Open Educational Resources. Please check the current schedule on the web for specific sections with the No/Low Cost Textbooks notation and additional information. These sections require regular access to the Internet as most of the resources are in a digital format. Note that certain no/low cost textbook courses (e.g., science labs, art studio classes) have textbooks available for less than \$40 but may require purchase of additional course materials and supplies.

Courses with Additional Fees: This symbol indicates a course with additional fees. For fee amounts and full details, review the notes in the online, real-time schedule.

ONLINE, STRUCTURED REMOTE, WEB ENHANCED & HYBRID COURSES

Please read the following requirements before registering for an online, structured remote, web enhanced, or hybrid course.

Frederick Community College offers three types of courses over the Internet: online, structured remote, and hybrid remote courses. Hybrid courses require the student to attend some class sessions on campus; online and structured remote courses do not. Online courses may require a proctored assessment.

Online, structured remote, web enhanced, and hybrid courses are taught on Blackboard™ and require that students:

- Have Internet access through broadband connection or Wi-Fi (wireless)
- Have access to a Windows, Mac, or Linux computer
- Have Windows 7 or higher, Mac OS X, or Linux with Ubuntu 14 or higher
- Have Internet or Google Chrome, plus a webcam and microphone
- Establish a myFCC e-mail account;
- Have basic computer skills in word processing, e-mail procedures, web-browsing, and handling features such as pop-up blockers;
- Are responsible for maintaining appropriate security and virus protection when using the student's own personal computer(s).

Students should expect to spend as much time on an Internet course as they would on a traditional on-campus course. Students should be self-motivated to handle the independent nature of learning that occurs in online courses.

Access to Blackboard: <http://frederick.blackboard.com>

User name Wxxxxxxx (where xxxxxx is the seven digit student ID number); Password is the same as the PeopleSoft and e-mail password.

Blackboard Course Requirements

All course sections require access to Blackboard at frederick.blackboard.com. Students are expected to be able to access Blackboard via the internet using personal, public, or appropriate college-available computers. Blackboard access is also required to complete course evaluations.

Textbooks

Purchase course materials from the FCC Bookstore in person or online at bookstore.frederick.edu. Use your FCC student ID number to find the right materials. Different course sections may require different materials.

Email Advising: emailadvising@frederick.edu

Email Advising is available to all current FCC students using their <http://myFCC.frederick.edu> email accounts. Please provide your full name and Student ID number. Typical response time is 24-48 hours depending on the information requested.
