## Adult Services

Through a variety of programs, the Office of Adult Services smooths the transition for adults returning to school to earn a degree, acquire marketable skills, or train for a new career. The Office of Adult Services works to address individual needs specific to adults and offers solutions.

*“OAS made my college experience so very comfortable and easy to transition into a college graduate. Without the help of this remarkable office going above and beyond the call of duty for me, I don’t think my experience would have been so rewarding.”*

*—Ron Orban*

*“When I became an FCC student, I had no idea what to do or what classes I should take. With the help of OAS, I had an amazing college experience and they showed me the best way of achieving my goals and becoming a successful student.”*

*—Diana Omar*
