WHEREAS the intent of the two institutions is to avoid duplication of curricula where appropriate within articulated programs of studies, and

WHEREAS the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

BE IT HEREWITH RESOLVED that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.

PROVISIONS OF THE AGREEMENT

1. This program articulation agreement applies to Frederick Community College's Associate of Arts Degree Program in Human Services and Salisbury University's Baccalaureate of Arts Degree Program in Social Work.

5. All articulated course credits earned with a C or better will be accepted for transfer according to the program matrix.
6. Students intending to transfer should complete the admissions application for Salisbury University following the third semester of their associate degree program.
7. Students are subject to all the policies and procedures of both institutions.
8. Students are subject to all specific policies pertaining to students admitted to the Baccalaureate of Arts Degree Program in Social Work.
